

DIRTY, DISEASE-RIDDEN WATER?

WE'VE GOT THE SOLUTION!

MOE/D/0029K

Filthy water can make you feel off-colour pretty quickly. Don't risk your health – dam water, rain water, bore water...even mains water can all harbor nasty germs and more. Plus, your everyday washing; clothes and dishes can be affected!

The best way to ensure you get safe, sediment-free, chemical-free or rust-free water is to visit your local **Davey Authorised Water Treatment Centre**. Ask about our proven water treatment products: Aquasafe, Steriflo, Filterpure or Microlene.

See the difference at your local **Davey Authorised Water Treatment Centre** or call **03 215 9125** today...day after day, year after year, you can depend on Davey.
