

YUCKY, MUCKY WATER?

WE'VE GOT THE SOLUTION!

MCE/DAV00294

It's hard to stomach bad water. Don't risk your health – dam water, rain water, bore water...even mains water can all harbor nasty germs and more. The best way to ensure you get safe, chlorine-free, chemical-free or pleasant tasting water is to visit your local **Davey Authorised Water Treatment Centre**.

Ask about our proven water treatment products:
Aquasafe, Steriflo, Filterpure or Microlene.

Taste the difference at your local **Davey Authorised Water Treatment Centre** or call **03 215 9125** today...
day after day, year after year, you can depend on Davey.
